ORDER DISMISSING APPEAL

This is a pro se appeal from an order dismissing appellant's complaint. Eighth Judicial District Court, Clark County; Ronald J. Israel, Judge.

Our review of the docketing statement and the documents submitted to this court pursuant to NRAP 3(g) reveals a jurisdictional defect. Specifically, the notice of appeal appears to be untimely filed under NRAP 4(a) because it appears that it was filed more than thirty days after service of written notice of entry of the judgment or order. See NRAP 4(a)(1); NRAP 26(c). The order granting the motion to dismiss was entered January 14, 2015; written notice of entry was served on appellant

by mail on January 15, 2015. The notice of appeal was filed May 2, 2016.
Accordingly, we conclude that we lack jurisdiction, and we

ORDER this appeal DISMISSED.¹
