ORDER DENYING PETITION

This is a pro se petition for a writ of mandamus challenging the prison's classification and level assessment. Petitioner further challenges a prison lockdown and the deprivation of various privileges. Without deciding upon the merits of any claims raised in the documents submitted in this matter, we decline to exercise our original jurisdiction. See NRS 34.160; NRS 34.170. Accordingly, we

ORDER the petition DENIED.
