ORDER DENYING PETITION

This is a pro se petition for a writ of mandamus. Petitioner seeks an order directing his court-appointed postconviction counsel to act on his behalf. We have reviewed the documents submitted in this matter, and without deciding upon the merits of any claims raised therein, we decline to exercise original jurisdiction in this matter. See NRS 34.160; NRS 34.170. Petitioner must address his concerns to the district court in the first instance, and he has provided no documentation in support of his claim that the district court will not act in his case. See *Pan v. Eighth Judicial Dist. Court*, 120 Nev. 222, 228-29, 88 P.3d 840, 844 (2004)

(explaining that petitioners bear burden to demonstrate that writ relief is warranted). Accordingly, we

ORDER the petition DENIED.
