CLERK OF SUPFEME COURT

ORDER DENYING MOTIONS

This is an original pro se petition for a writ of mandamus arising from a post-divorce decree contempt proceeding. This court denied the petition on July 13, 2016, denied rehearing on September 22, 2016, and denied en banc reconsideration on November 23, 2016. Petitioner has filed a series of motions "for arrest of judgment," questioning this court's rulings in this case. The Nevada Rules of Appellate Procedure do not provide for further challenges, in this court, to this court's decisions. The motions are denied. The clerk of this court shall issue the notice in lieu of remittitur forthwith.

It is so ORDERED.
