ORDER DENYING PETITION
FOR WRIT OF PROHIBITION OR MANDAMUS

This petition for a writ of prohibition or mandamus challenges two orders entered by Judge Peter Breen: a written order denying petitioner's motion to recuse/disqualify Judge Charles McGee from the underlying action, and an oral order allowing the real party in interest's attorney to participate in the disqualification hearing. We have considered the petition, and we are not satisfied that our intervention by way of extraordinary relief is warranted at this time. Accordingly, we deny the petition.¹

It is so ORDERED.²
