*ORDER OF AFFIRMANCE*

This is a pro se appeal from a district court order denying a postconviction petition for a writ of habeas corpus challenging the computation of time served.<sup>1</sup> First Judicial District Court, Carson City; James Todd Russell, Judge.

Appellant argues that NDOC failed to properly apply work and educational credits. Based on our review of the record, we conclude that appellant has not demonstrated that he is entitled to any additional credits. NRS 209.4465(2). Further, as noted by the district court, monetary damages are not available in a habeas proceeding. Accordingly, we

ORDER the judgment of the district court AFFIRMED.<sup>2</sup>
