*ORDER APPROVING STIPULATION, IN PART,
AND DISMISSING APPEAL*

The parties have filed a stipulation to dismiss this appeal. The stipulation indicates that a term of the settlement is "satisfaction of the judgments issued in the underlying case." The stipulation is approved to the following extent: this appeal is dismissed. The parties shall bear their own costs and attorney fees. NRAP 42(b). Other relief requested by the parties is appropriately sought in the district court rather than this court.

It is so ORDERED.
