ORDER DENYING PETITION

This is a pro se petition for extraordinary relief. Petitioner challenges the validity of his judgment of conviction and sentence and argues that he is illegally being required to serve consecutive sentences for a single crime against a single victim. Without deciding upon the merits of any claims raised in the documents submitted in this matter, we decline to exercise our original jurisdiction. Any relief available to petitioner must be sought in the district court in the first instance. See NRS 34.724; NRS 34.738. Accordingly, we

ORDER the petition DENIED.
