ORDER DISMISSING APPEAL

On March 12, 2001, this court entered an order directing appellant to file the docketing statement, pay the two hundred dollar (\$200) filing fee, and file the case appeal statement with the district court and file two certified copies of the case appeal statement with the clerk of this court within ten (10) days of the date of that order. We cautioned appellant that failure to comply timely with that order may result in the immediate dismissal of his appeal as abandoned. To date, appellant has not filed the required documents, paid the filing fee, or otherwise communicated with this court. Additionally, appellant has failed to submit the opening brief and appendix, which were due to be filed on or before May 3, 2001. Accordingly, cause appearing, we dismiss this appeal as abandoned.

It is so ORDERED.
