*ORDER DENYING PETITION
FOR WRIT OF MANDAMUS OR OTHER EXTRAORDINARY RELIEF*

This emergency petition for a writ of mandamus or other extraordinary relief challenges an oral September 6, 2019, ruling denying a motion in limine to exclude punitive damages.

Having reviewed the petition and supporting documents, we conclude that our extraordinary intervention is not warranted. In particular, trial is scheduled to commence soon, the district court has advised that the parties can revisit punitive damages and the evidence needed to support the request therefor, and petitioners have an adequate and speedy legal remedy in the form of an appeal from the final judgment,

precluding writ relief. NRS 34.170; *Pan v. Eighth Judicial Dist. Court*, 120 Nev. 222, 225, 88 P.3d 840, 841 (2004). Accordingly, we

ORDER the petition DENIED.
