ORDER DENYING PETITION

FOR WRIT OF MANDAMUS

This is a proper person petition for a writ of mandamus challenging the failure of the respondent district court to resolve promptly petitioner's habeas petition, which is pending before the district court.

We have reviewed the documents on file with this court, and we conclude that our intervention by extraordinary writ is not warranted. See NRS 34.160. We are confident the district court will resolve the matters pending below as expeditiously as its calendar will permit. Accordingly, we deny the petition.

It is so ORDERED.
