ORDER DISMISSING APPEAL

This is a proper person appeal from a district court order granting partial summary judgment. Our review of the documents before this court reveals a jurisdictional defect.

Specifically, the order appealed from is not a final judgment, because it does not resolve all claims as to all parties.¹ In addition, the order is not independently appealable.² Finally, the order has not been certified as final under NRCP 54(b). Accordingly, as we lack jurisdiction, we

ORDER this appeal DISMISSED.
