vs.
THE STATE OF NEVADA,
Respondent.

DEPUTY CLERK

ORDER OF AFFIRMANCE

John Anthony Turner appeals from a district court's order of revocation of probation and amended judgment of conviction. Eighth Judicial District Court, Clark County; Michael Villani, Judge.

Turner asserts the district court abused its discretion by sentencing him to a term of *flat time* in the county jail after revoking his probation. However, contrary to Turner's assertion, the record on appeal plainly demonstrates that the district court ordered that Turner's "underlying sentence [be] modified to one hundred (100) days *regular time*." (Emphasis added.) We note that Turner received the precise sentence that he requested during his probation revocation hearing, and we conclude he is not entitled to relief on this claim. Accordingly, we

ORDER the district court's order for revocation of probation and amended judgment of conviction AFFIRMED.
