ORDER DENYING PETITION

In this original petition for a writ of prohibition, Steven Floyd Voss asks this court to enter an order prohibiting the district court from resentencing him and entering an amended judgment of conviction in district court case number CR96-1581. Voss asserts the district court lacks jurisdiction to take these actions and taking these actions would constitute a double jeopardy violation because he has already served the sentence previously imposed in that case to completion. Having considered the petition and request for judicial notice, we conclude Voss is not entitled to relief. See NRS 34.320. Accordingly, we

ORDER the petition DENIED.
