

IN THE SUPREME COURT OF THE STATE OF NEVADA

WILBERT EMORY LESLIE, III,  
Appellant,  
vs.  
THE STATE OF NEVADA,  
Respondent.

No. 80164

**FILED**

JAN 18 2020

ELIZABETH A. BROWN  
CLERK OF SUPREME COURT  
BY   
DEPUTY CLERK

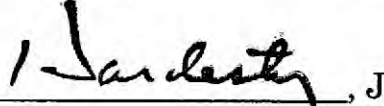

*ORDER DISMISSING APPEAL*

This is a pro se appeal from a judgment of conviction and an amended judgment of conviction. Eighth Judicial District Court, Clark County; Stefany Miley, Judge.

This court's review of this appeal reveals a jurisdictional defect. Specifically, the district court entered the judgment of conviction on June 4, 1996, and the amended judgment of conviction on March 16, 2007. Appellant did not file the notice of appeal, however, until December 2, 2019, well after the expiration of the 30-day appeal period prescribed by NRAP 4(b). "[A]n untimely notice of appeal fails to vest jurisdiction in this court." *Lozada v. State*, 110 Nev. 349, 352, 871 P.2d 944, 946 (1994). Accordingly, this court lacks jurisdiction to consider this appeal, and

ORDERS this appeal DISMISSED.
