ORDER DENYING PETITION

In this original petition for a writ of mandamus, Francisco Enrique Vidal challenges the district court's denial of his "Amended Emergency Petition for Writ of Habeas Corpus (Postconviction) Motion for Injunction/Extraordinary Relief." Vidal has a plain, speedy, and adequate remedy at law available to him, because he can appeal from the denial of his petition.¹ See NRS 34.575(1). Accordingly, without reaching the merits of any claims raised, we conclude this court's intervention by way of extraordinary writ is not warranted, see NRS 34.170, and we

ORDER the petition DENIED.²

¹It appears Vidal has appealed from the denial of his petition and his appeal is currently pending in Docket No. 80195.

²Because the filing fee for this matter has already been waived, we take no action on Vidal's motion to waive the filing fee.
