ORDER DISMISSING APPEAL

This is a proper person appeal from an order of the district court denying appellant's motion for evidentiary hearing and order restricting access to evidence. Our review of this appeal reveals a jurisdictional defect. The right to appeal is statutory; where no statute or court rule provides for an appeal, no right to appeal exists.¹ No statute or court rule provides for an appeal from an order of the district court denying a motion for evidentiary hearing and order restricting access to evidence. Accordingly, we

ORDER this appeal DISMISSED.
