ORDER DISMISSING APPEAL

This is an appeal from a district court order granting a preliminary injunction. Eighth Judicial District Court, Clark County; Timothy C. Williams, Judge.

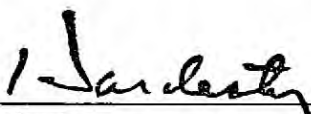

Respondent has filed a motion to dismiss this appeal as moot, with each party to bear its own attorney fees and costs. Respondent points out that the injunction expired on January 18, 2020, has not been renewed, and appellants have not moved the district court to extend the injunction. *See NCAA v. Univ. of Nevada*, 97 Nev. 56, 624 P.2d 10 (1981). This court cannot grant appellants any effective relief, it argues, and no exceptions to the mootness doctrine exist. *See Personhood Nevada v. Bristol*, 126 Nev. 599, 602, 245 P.3d 572, 574 (2010). The motion is unopposed.

Given that the injunction has expired, the district court docket sheet does not indicate that the district court has extended the injunction, and the motion to dismiss is unopposed, the motion is granted and this

appeal is dismissed as moot. Each party shall bear its own costs and attorney fees.

It is so ORDERED.
