*ORDER DENYING PETITION FOR WRIT OF MANDAMUS*

This original pro se petition for a writ of mandamus seeks a writ directing the district court to reverse and vacate petitioner's sentence or reverse its denial of petitioner's motion to correct or clarify his sentence and his presentence investigation report.

Problematically, petitioner has not provided this court with exhibits or other documentation that would support his claims for relief. See NRAP 21(a)(4) (providing the petitioner shall submit an appendix containing all documents "essential to understand the matters set forth in the petition"). Therefore, without deciding the merits of the claims raised, we decline to exercise our original jurisdiction in this matter. See NRAP 21(b).

We reiterate that "[p]etitioner[ ] carr[ies] the burden of demonstrating that extraordinary relief is warranted." *Pan v. Eighth*
