ORDER DISMISSING APPEAL

This is a pro se appeal from a purported district court order denying a motion for jailtime credits. Eighth Judicial District Court, Clark County; Michelle Leavitt, Judge.

This court's review of this appeal reveals a jurisdictional defect. Specifically, no order denying a motion for jailtime credits was entered in district court case number C-16-318459-1, the case number designated in the notice of appeal. Thus, this appeal is premature. *See* NRS 177.015(3) (stating that a defendant only may appeal from a final judgment or verdict). In addition, review of the district court docket entries does not indicate that the district court entered any appealable order. Accordingly, this court
