ORDER OF AFFIRMANCE

Appellant Spencer Chung appeals the district court's order denying his motion for a preliminary injunction against respondents Marc and Lorelei Biggins. After considering Chung's arguments, we conclude that the record supports the district court's conclusion that Chung was not entitled to a preliminary injunction because he did not suffer irreparable harm and because any harm he did suffer could be best remedied by monetary damages.¹ Therefore, the district court did not abuse its discretion² and, accordingly, we

ORDER the judgment of the district court AFFIRMED.
