ORDER DISMISSING APPEAL

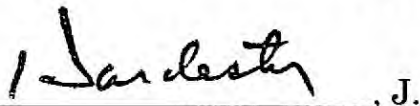

This is a pro se appeal from a purported pretrial order denying a “VI amendment right of the Bill of Rights.” Eighth Judicial District Court, Clark County; Jacqueline M. Bluth, Judge.

Because no statute or court rule permits an appeal from the aforementioned order, this court lacks jurisdiction to consider this appeal. *Castillo v. State*, 106 Nev. 349, 792 P.2d 1133 (1990). To the extent that appellant’s appeal is in regard to the order denying a motion to dismiss under *Doggett v. United States* entered on February 6, 2020, the order is also not substantively appealable. *See id.* Accordingly, this court

ORDERS this appeal DISMISSED.
