ORDER DISMISSING APPEAL

Appellant purports to appeal in proper person from an order of the district court entered on August 2, 2000. Our review of this appeal reveals a jurisdictional defect. A thorough and complete review of the documents before this court indicates that the district court did not enter any order, oral or written, on August 2, 2000. In fact, the documents before this court indicate that district court case number CR98-2892 was closed on October 20, 1999. Appellant failed to properly designate an appealable order contrary to NRAP 3(c), thus, we

ORDER this appeal DISMISSED.
