ORDER DISMISSING APPEAL

This is an appeal from a district court order directing appellant to obtain a Qualified Domestic Relations Order and denying his post-decree request for punitive damages. Eighth Judicial District Court, Clark County; Rhonda Kay Forsberg, Judge.

This court's review of this appeal reveals a jurisdictional defect. Specifically, the challenged district court order granted appellant the relief he requested. Appellant is not aggrieved by this order. See NRAP 3A(a); NRS 177.015 (only an aggrieved party may appeal). Further, no statute or court rule appears to allow an appeal from a district court order denying a post-decree request for punitive damages. See *Brown v. MHC Stagecoach*, 129 Nev. 343, 345, 301 P.3d 850, 851 (2013) (this court "may only consider appeals authorized by statute or court rule"). Accordingly, we

ORDER this appeal DISMISSED.
