ORDER OF AFFIRMANCE

Cynetra Graham appeals from an order of the district court denying a postconviction petition for a writ of habeas corpus. Eighth Judicial District Court, Clark County; Tierra Danielle Jones, Judge.

Graham argues the district court erred by denying her November 30, 2018, petition. In her petition, Graham claimed she was entitled to the application of statutory credits to her minimum sentence pursuant to NRS 209.4465(7)(b). The district court found Graham's sentence was the result of a conviction for a category B felony committed in 2016, after the effective date of NRS 209.4465(8)(d). These findings are supported by the record. Because Graham was convicted of a category B felony, *see* NRS 205.060(2), committed after the effective date of NRS 209.4465(8)(d), she was precluded from the application of credits to her

minimum sentence. We therefore conclude the district court did not err by denying this claim. Accordingly, we

ORDER the judgment of the district court AFFIRMED.
