ORDER DENYING PETITION

This petition for a writ of mandamus or prohibition challenges the participation of the Office of the Clark County District Attorney in criminal proceedings below. Petitioner has also filed an emergency motion for a stay of the trial currently set to commence on February 26, 2001. Having reviewed the petition and the documentation appended thereto, we conclude that this court's intervention by way of extraordinary writ is not warranted. Accordingly, we deny the petition. Further, we deny petitioner's emergency motion for a stay.

It is so ORDERED.
