ORDER DENYING PETITION

FOR WRIT OF EXECUTION

This is a proper person petition for a writ of execution challenging the 1982 determination of probable cause that led ultimately to petitioner's conviction for several sexual offenses against a minor.

We have reviewed the documents on file with this court, and we conclude that petitioner has not demonstrated that he is entitled to relief from this court. Accordingly, we

ORDER the petition DENIED.¹

¹We have considered all proper person documents filed or received in this matter, and we conclude that the relief requested is not warranted. We caution petitioner that a prisoner may forfeit all deductions of time earned by the prisoner if the court finds that the prisoner has filed a document in a civil action for an "improper purpose." See NRS 209.451(1)(d)(1).
