ORDER DISMISSING APPEAL

This is a proper person appeal from a district court decision indicating that the district court would be ordering the issuance of a temporary writ of restitution in this unlawful detainer action. Respondent has filed a motion to dismiss the appeal for lack of jurisdiction.

This court has jurisdiction to consider an appeal only when the appeal is authorized by statute or court rule.¹ There is no such authorization for an appeal from a district court decision anticipating the entry of an order issuing a temporary writ of restitution.² Accordingly, we grant respondent's motion to dismiss, and we

ORDER this appeal DISMISSED.³
