ORDER DISMISSING APPEAL

This is an appeal from an order granting a motion for determination of good faith settlement and denying a motion to deem the settling parties' liability as several only and for inclusion of those entities on the eventual trial verdict form. Eighth Judicial District Court, Clark County; Nancy L. Allf, Judge.

Because it appeared that the district court had not finally dismissed the complaint and because no appeal lies from an order determining the joint or several liability of a party, this court entered an order directing appellant to demonstrate this court's jurisdiction. Appellant has responded and concedes that this court lacks appellate jurisdiction over the challenged order. To the extent appellant requests that this court construe the notice of appeal as a writ petition, the request is denied.

Appellant is free to file a writ petition, which will be docketed as a new proceeding. This court lacks jurisdiction and

ORDERS this appeal DISMISSED.
