ORDER DISMISSING APPEAL

In response to this court's July 2, 2020, order regarding the status of this appeal, appellants filed a report stating that "[t]he future of the instant appeal will be determined by the court's decision on the petitions for review in Docket No. 75206-COA, and should the court deny the petitions for review, the instant appeal should be deemed moot and dismissed." The petitions for review in Docket No. 75206 were denied on July 27, 2020, and the remittitur issued on that same date. Thus, as stated by appellants in their status report, it appears that this appeal is moot. Accordingly, this court

ORDERS this appeal DISMISSED.
