ORDER DISMISSING APPEAL

Appellant purports to appeal in proper person from an order of the district court denying a motion to vacate guilty plea entered on February 28, 2001 in district court case number C153280. A review of the documents before this court reveals that appellant has not filed a motion to vacate guilty plea in the district court in district court case number C153280. Consequently, the district court has not denied a motion to vacate guilty plea. To the extent appellant seeks to appeal his judgment of conviction and sentence, this court lacks jurisdiction to consider his untimely appeal.¹ Because appellant has failed to properly designate an appealable order, we

ORDER this appeal DISMISSED.
