*ORDER DISMISSING APPEAL*

This is an appeal from a district court order awarding respondent attorney fees and costs. Eighth Judicial District Court, Family Court Division, Clark County; Rena G. Hughes, Judge.

Initial review of the docketing statement and documents before this court revealed a potential jurisdictional defect. It appeared that the challenged order may not be substantively appealable. Accordingly, this court ordered appellant to show cause why this appeal should not be dismissed for lack of jurisdiction. In response, appellant has filed a motion to dismiss this appeal. She states that dismissal is appropriate on jurisdictional grounds and requests the dismissal or withdrawal of this appeal. The motion is granted and this appeal is dismissed.

It is so ORDERED.
