ORDER DISMISSING APPEAL

This is an appeal from a district court order denying a motion to set aside a default judgment. Eighth Judicial District Court, Clark County; Timothy C. Williams, Judge.

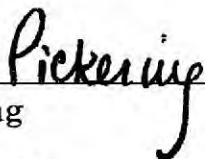

When our preliminary review of the docketing statement and the NRAP 3(g) documents revealed a potential jurisdictional defect, we directed appellants to show cause why this appeal should not be dismissed for lack of jurisdiction. Specifically, it appears the notice of appeal is untimely from the only appealable order. See NRAP 4(a)(1); NRAP 26(c); NRAP4 (a)(4)(C). The order to show cause cautioned appellants that failure to demonstrate that this court has jurisdiction may result in the dismissal

of this appeal. Appellants' response was due to be filed on or before May 27, 2021.

To date, appellants have failed to respond to the order to show cause or to otherwise demonstrate that this court has jurisdiction to consider this appeal. Accordingly, it appears we lack jurisdiction, and we

ORDER this appeal DISMISSED.
