ORDER DISMISSING APPEAL

This is a pro se appeal from a district court order granting a motion to dismiss. Second Judicial District Court, Washoe County; Lynne K. Simons, Judge.

Review of the notice of appeal, docketing statement, and other documents before this court reveals a jurisdictional defect. The challenged order is not appealable as a final judgment because, as appellant seems to concede in his docketing statement, appellant's claims against The University of Reno, Reno School of Medicine, Thomas Schwenk, and J. Epperson remain pending in the district court.¹ See NRAP 3A(b)(1) (allowing an appeal from a final judgment); *Lee v. GNLV Corp.*, 116 Nev. 424, 426, 996 P.2d 416, 417 (2000) (“[A] final judgment is one that disposes of all the issues presented in the case, and leaves nothing for the future consideration of the court, except for post-judgment issues such as attorney’s fees and costs.”). And no other statute or court rule appears to authorize an appeal from the challenged order. See *Brown v. MHC Stagecoach, LLC*, 129 Nev. 343, 345, 301 P.3d 850, 851 (2013) (this court

¹Appellant suggests that defendant Leah Warner was not served with process.

“may only consider appeals authorized by statute or court rule”).
Accordingly, this court lacks jurisdiction, and
ORDERS this appeal DISMISSED.
