ELIZABETH A. BROWN  
CLERK OF SUPREME COURT  
BY *Elizabeth A. Brown*  
DEPUTY CLERK

*ORDER DISMISSING APPEAL*

This is a pro se appeal from an order shortening time, two minute orders, an order granting leave to proceed in forma pauperis, and all notices and actions by the clerk. Eighth Judicial District Court, Clark County; Elham Roohani, Judge.

Review of the notice of appeal and documents before this court reveals a jurisdictional defect. This court “may only consider appeals authorized by statute or court rule”. *Brown v. MHC Stagecoach, LLC*, 129 Nev. 343, 345, 301 P.3d 850, 851 (2013). No statute or court rule authorizes an appeal from the challenged orders, notices, and actions. See NRAP 3A(b) (listing appealable orders); *State, Div. of Child and Family Serv’s v. Eighth Judicial Dist. Court*, 120 Nev. 445, 454, 92 P.3d 1239, 1245 (2004) (“[D]ispositional court orders that are not administrative in nature, but deal with the procedural posture or merits of the underlying controversy, must be written, signed, and filed before they become effective”). And it does not

appear from the district court docket entries that the district court has entered an appealable order. Accordingly, this court lacks jurisdiction and ORDERS this appeal DISMISSED.<sup>1</sup>
