ORDER DENYING PETITION

This proper person petition for an "amended writ of habeas corpus w/injunction" seeks an injunction to stop the allegedly unlawful trial proceedings in the district court on the grounds of malicious prosecution and coercion of a minor child.

"An application for a writ of habeas corpus should be made to the appropriate district court."¹ We have reviewed the documents on file with this court, and we decline to consider appellant's petition at this time.² Accordingly, we deny this petition.

It is so ORDERED.³
