ORDER DENYING PETITION

This is an original petition for a writ of mandamus that would direct the district court to grant a motion in limine.

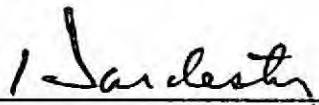

Petitioners have not provided this court with all the documents necessary to review this petition, including the motion in limine that is the subject of this writ petition and the district court order denying that motion. NRAP 21(a)(4) (providing that the petitioner shall submit an appendix containing all documents essential to understand the matters set forth in the petition); *Pan v. Eighth Judicial Dist. Court*, 120 Nev. 222, 228, 88 P.3d 840, 844 (2004) (“Petitioners carry the burden of demonstrating that

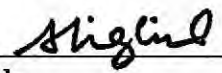

extraordinary relief is warranted.”). We therefore cannot properly evaluate the petition. *Pan*, 120 Nev. at 229, 88 P.3d at 844 (“If essential information is left out of the petition and accompanying documentation, we have no way of properly evaluating the petition.”).

Accordingly, we

ORDER the petition DENIED.
