ORDER DISMISSING APPEAL

This is a proper person appeal from an order of the district court denying appellant's "motion to compel district court to give descriptive detail as to why motion to vacate judgment of conviction regarding a conflict of interest with Caidlin Mackey was denied on March 21, 2001." Our review of this appeal reveals a jurisdictional defect. The right to appeal is statutory; where no statute or court rule provides for an appeal, no right to appeal exists.¹ No statute or court rule provides for an appeal from the above-entitled motion to compel. Accordingly, we

ORDER this appeal DISMISSED.
