*ORDER DISMISSING APPEAL*

This is a pro se appeal from a purported district court order entered on August 30, 2022. Eighth Judicial District Court, Clark County; Monica Trujillo, Judge.

Review of the notice of appeal and documents before this court reveals a jurisdictional defect. The district court docket entries do not indicate that any district court order was entered on August 30, 2022. Further, the district court minutes do not reflect that any proceedings were held on that date. Accordingly, appellant fails to identify an appealable order, and this court

ORDERS this appeal DISMISSED.
