ELIZABETH A. BROWN
CLERK OF SUPREME COURT
BY 
DEPUTY CLERK

ORDER DENYING PETITION

This original petition for a writ of mandamus challenges district court orders granting a motion to dismiss in part, denying requests for leave to amend, and denying reconsideration of those decisions in a breach of contract action. Having considered the petition and its supporting documentation, we are not persuaded that our extraordinary and discretionary intervention is warranted. *See Pan v. Eighth Judicial Dist. Court*, 120 Nev. 222, 228, 88 P.3d 840, 844 (2004) (observing that the party seeking writ relief bears the burden of showing such relief is warranted);

Smith v. Eighth Judicial Dist. Court, 107 Nev. 674, 677, 679, 818 P.2d 849, 851, 853 (1991) (recognizing that writ relief is an extraordinary remedy and that this court has sole discretion in determining whether to entertain a writ petition). In particular, petitioners have an adequate remedy at law because they can raise the arguments presented in their petition in an appeal from the final judgment in the underlying matter. See *Walker v. Second Judicial Dist. Court*, 136 Nev. 678, 681, 476 P.3d 1194, 1197 (2020) (recognizing that the availability of a later appeal generally precludes writ relief). We therefore

ORDER the petition DENIED.
