DEPUTY CLERK

ORDER DISMISSING APPEAL

This is a pro se notice of appeal from a judgment of conviction. Eighth Judicial District Court, Clark County; Erika D. Ballou, Judge.

This court's review of this appeal reveals a jurisdictional defect. Specifically, the district court entered the judgment of conviction on December 7, 2022. Appellant did not file the notice of appeal, however, until March 6, 2023, well after the expiration of the 30-day appeal period prescribed by NRAP 4(b). *Lozada v. State*, 110 Nev. 349, 352, 871 P.2d 944, 946 (1994) (explaining that an untimely notice of appeal fails to vest jurisdiction in this court). Accordingly, this court

ORDERS this appeal DISMISSED.¹

¹Untimely appeals are allowed from judgments of conviction only when the procedure under NRAP 4(c) has been followed and the district court enters a written order finding that the petitioner has a valid appeal-deprivation claim and is entitled to a direct appeal.
