ORDER DISMISSING APPEAL

This is a pro se notice of appeal from a purported district court order denying a motion to correct an illegal sentence. Eighth Judicial District Court, Clark County; Kathleen E. Delaney, Judge.

This court's review of this appeal reveals a jurisdictional defect. No decision had been made on the motion when appellant filed the notice of appeal on March 14, 2023. Thus, the notice of appeal is premature. See NRS 177.015(3) (stating that a defendant only may appeal from a final judgment or verdict). Accordingly, this court

ORDERS this appeal DISMISSED.
