ORDER DISMISSING APPEAL

This is a pro se notice of appeal from a purported “findings of fact, conclusions [sic] of law and order” entered on April 5, 2023. Eighth Judicial District Court, Clark County; Jasmin D. Lilly-Spells, Judge.

This court’s review of this appeal reveals a jurisdictional defect. Specifically, no decision, oral or written, has been entered on April 5, 2023. Thus, the notice of appeal is premature. *See* NRS 177.015(3). To the extent that appellant appeals from the findings of fact, conclusions of law and order entered on February 10, 2022, that order was already appealed, and the Court of Appeals affirmed the order of the district court. *See Saiz v. State*, Docket No. 84318-COA, 2023 WL 2193245 (Nev. Ct. App. February 23, 2023) (Order of Affirmance). A second duplicate appeal may not proceed. Accordingly, this court

ORDERS this appeal DISMISSED.
