ORDER DISMISSING APPEAL

This appeal was docketed in this court on May 19, 2023. The notice of appeal states that appellant “appeals to the United States Court of Appeals for the Ninth Circuit.” Therefore, it appears that the notice of appeal was not intended to be filed in this court. To the extent appellant intended to appeal to this court, we conclude we lack jurisdiction because the notice of appeal does not identify an appealable determination. See NRAP 3A(b) (identifying appealable determinations). Accordingly, we

ORDER this appeal DISMISSED.
