ORDER DISMISSING APPEAL

This appeal was docketed in this court on June 4, 2001. Accordingly, the docketing statement was due to be filed by June 19, 2001. Because appellant had not yet filed the docketing statement, on July 17, 2001, we entered an order that directed appellant to file and serve the docketing statement within ten days of the date of that order. We also cautioned appellant that failure to comply with that order could result in the imposition of sanctions.

On September 24, 2001, we entered an order reinstating briefing as the parties were unable to reach a settlement agreement in this appeal. Because appellant had not yet complied with our July 17, 2001, order, we again directed appellant to file the docketing statement within seven days of the date of that order or show cause why sanctions, including dismissal of the appeal, should not be imposed. See NRAP 14(c). We further directed appellant to comply with NRAP 9(a) within fifteen days of the date of that order.

To date, appellant has failed to file the docketing statement, comply with NRAP 9(a), or otherwise communicate with this court. Accordingly, we dismiss this appeal. See NRAP 9(a)(3) and NRAP 14(c).

It is so ORDERED.
