ORDER DENYING PETITION FOR A WRIT OF MANDAMUS

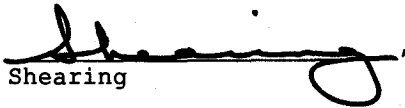

This is a proper person petition for a writ of mandamus requesting the district court to order petitioner's post-conviction counsel, John Calvert, Esq., to comply with the Nevada Rules of Professional Conduct while representing petitioner in the post-conviction proceedings.

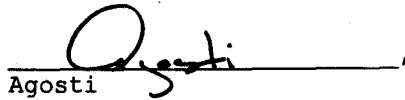

We have reviewed the documents on file with this court, and we conclude that our intervention by extraordinary writ is not warranted.¹ Although there may be some delay in the post-conviction proceedings, petitioner has not demonstrated that this court's intervention is necessary at this time. We are confident that the district court will take all necessary steps to ensure that petitioner's post-

conviction petition is resolved within a reasonable length of time. Accordingly, we

ORDER the petition DENIED.
