*ORDER DISMISSING APPEAL*

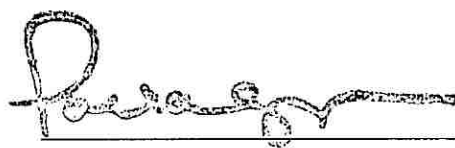

This is a pro se appeal from an order entered by the short trial judge denying appellant's motion to set aside the short trial verdict. Eighth Judicial District Court, Clark County; Kenneth Weissman, Short Trial Judge.

Preliminary review of the docketing statement and documents submitted to this court pursuant to NRAP 3(g) reveals a jurisdictional defect. Because the district court judge did not sign the appealed short trial order, it appears that the district court has not yet entered a written order denying the motion to set aside the short trial verdict, which is necessary for appeal purposes. NRAP 3A(b)(2); NSTR 33. Under NSTR 3(d), pro tempore short trial judges' proposed orders are not effective until signed by the district court. NSTR 3(d)(4). Accordingly, this court lacks jurisdiction and
