ORDER DENYING MANDAMUS PETITION

This is an original pro se petition for a writ of mandamus seeking petitioner's immediate release from detention.

Petitioner claims that she is being unlawfully detained at the Henderson Detention Center despite an order for her release issued by a justice court judge. Petitioner has not provided this court with any exhibits or documents in support of her petition and necessary for this court's consideration of the petition. See NRAP 21(a)(4) (providing that petitioner shall submit an appendix containing all documents "essential to understand[ing] the matters set forth in the petition"). Petitioner bears the burden of showing that extraordinary relief is warranted. See *Pan v. Eighth Jud. Dist. Ct.*, 120 Nev. 222, 228, 88 P.3d 840, 844 (2004). We conclude that petitioner has failed to demonstrate our intervention by extraordinary writ is warranted.

Therefore, we decline to exercise our original jurisdiction in this matter. See NRAP 21(b). Accordingly, we

ORDER the petition DENIED.
