*ORDER DISMISSING APPEAL*

This is a pro se appeal from a district court order resolving a petition for instructions in the administration of a trust. Eighth Judicial District Court, Clark County; Veronica Barisich, Judge.

On March 8, 2024, this court issued an order indicating that appellant shall have 60 days to file and serve either (1) a brief that complies with the requirements in NRAP 28(a) and NRAP 32; or (2) the "Informal Brief Form for Pro Se Parties" provided by the clerk of this court. The order also cautioned appellant that failure to timely file the opening brief or informal brief may result in the dismissal of this appeal. NRAP 31(d).

When appellant failed to file the opening brief or informal brief, this court issued an order on June 3, 2024, noting that appellant's opening brief was overdue and directing appellant to file the opening brief or informal brief within 14 days. The order again cautioned appellant that failure to timely file the opening brief or informal brief may result in the dismissal of this appeal. NRAP 31(d). To date, appellant has failed to file the opening brief or informal brief or otherwise communicate with this

court. Accordingly, this court concludes that appellant has abandoned this appeal and

ORDERS this appeal DISMISSED.
