ORDER DISMISSING APPEAL

This appeal was docketed on May 17, 2024. Because the notice of appeal was not accompanied by the required proof of service, *see* NRAP 3(d)(1) (providing the notice of appeal must be served on all parties to the district court action and must “contain an acknowledgment of service or proof of service that conforms to the requirements of [NRAP] 25(d)”), on May 17, 2024, this court issued a notice directing appellant to provide this court with the required proof of service within 14 days. The notice advised that failure to comply could result in the dismissal of this appeal. *See* NRAP 3(a)(2) (“An appellant’s failure to take any step other than the timely filing of a notice of appeal does not affect the validity of the appeal, but is ground only for the court to act as it deems appropriate, including dismissing the appeal”). On May 24, 2024, another notice of appeal was filed in this matter. Because that notice of appeal was also not accompanied by proof of service of the notice of appeal, this court issued another notice directing appellant to file proof of service of the notice of appeal within 14 days.

Because appellant had not filed proof of service of the notices of appeal or otherwise responded to this court’s notices, on June 25, 2024, this court issued an order directing appellant to file proof of service of the notice of appeal within 14 days. Appellant was cautioned that failure to comply

would result in the dismissal of this appeal. To date, appellant has not complied. Accordingly, this appeal is dismissed.

It is so ORDERED.
